

PRE-OPERATIVE INSTRUCTIONS

We will be administering General Anesthesia while the dentist treats your child's teeth. Following the instructions below will be critical for the safety of your child. Failure to follow *ALL* the instructions will result in the cancellation of your surgery. Rest assured, your child will be in great hands with our care team, and we look forward to treating them soon!

PARENT/GUARDIAN INFORMATION

- Must remain at the dentist's office until surgery is complete.
- Plan on spending up to 4 hours at the office.
- Parents or guardians must sign consent forms.
- There needs to be one adult for each child having surgery.
- Wear a face mask.

MEDS & SICKNESS

- Call us if the child has been sick in the past 4 weeks or has a cough, cold, or fever.
- If applicable, bring an inhaler with the child.

WHAT TO WEAR

- No nail polish or onesies.
- Bring an extra set of clothes.
- Face mask for parent and child.
- Comfortable clothes and shoes.

CONSUMING

- No food, drink, or water after midnight before surgery.
- No candy, gum, or mints.

We will call you before the case day to discuss the procedure.
